

Verified Super 30 Yearly Syllabus Plan (Class 12 Science)

This report is manually verified from the uploaded scanned PDF pages. Some handwritten text is unclear, so only clearly readable information has been included.

JUNE

Week 1: Chapter 7 Alcohols, Phenols and Ethers. Test: Chapter 6 Haloalkanes & Haloarenes.

Week 2 (8-13 June): Complete Chapter 7 by 12 June. Test: Alcohols, Phenols & Ethers with mechanisms.

Week 3 (15-20 June): Chapter 8 Aldehydes, Ketones and Carboxylic Acids. Test covers Alcohols, Phenols & Ethers + Aldehydes/Ketones.

Week 4 (22-27 June): Complete Chapter 8. Test on Aldehydes, Ketones and Carboxylic Acids.

JULY

29 Jun-4 Jul: Amines complete. Test: Chapters 6, 7 and 8 mixed questions.

6-11 Jul: Biomolecules.

13-18 Jul: Biomolecules complete + d & f block.

20-25 Jul: d & f block complete.

AUGUST

27 Jul-1 Aug: Coordination Chemistry starts.

3-8 Aug: Coordination Chemistry continues.

10-15 Aug: Coordination Chemistry complete.

17-22 Aug: Solutions chapter up to Raoult's Law.

24-29 Aug: Solutions chapter complete.

SEPTEMBER

31 Aug-5 Sep: Electrochemistry starts.

7-12 Sep: Electrochemistry (Nernst Equation).

14-19 Sep: Electrochemistry complete.

OCTOBER

28 Sep-3 Oct: Chemical Kinetics starts.

5-10 Oct: Chemical Kinetics complete.

14-19 Oct: p-Block starts.

21-26 Oct: p-Block complete.

NOVEMBER

28 Oct-3 Nov: Salt Analysis, Organic Practicals, syllabus completion and NEET/JEE Main focus.
